SUBJECT:

Conversation With Jim Kline

1. On January 31, 1986, I was called by Garner J. Kline, Staff Director, House Judiciary Committee. I had dealt with him in connection with the passage of the defector citizenship legislation. He was calling on behalf of himself and Mssrs Arthur P. (Skip) Endres, (Majority) Counsel, Subcommittee on Immigration Refugees and International Law, and Peter Levinson, Minority Associate Counsel, Subcommittee on Monopolies & Commercial Law. Mr. Kline asked what steps needed to be taken to "clear" Msrss. Endres, Levinson and himself to receive the Agency's presentation concerning the expeditious naturalization of its candidates under what the Agency refers to as "defector citizenship" legislation, Title VI of Public Law 99-169.

2. I discussed the matter

and then contacted Mr. Kline.

3. I informed Mr. Kline that the first step would be for Representative Rodino, Chairman of the House Judiciary Committee, to write a letter to the Director of Central Intelligence indicating the individuals whom he wished to be cleared, stating the subject for which he wished them to be cleared and requesting their clearance.

4. Mr. Kline concurred and then started to discuss several matters concerning the status of his clearances vis a vis the Department of Defense and the Federal Bureau of Investigation. I suggested that he get in contact directly with and he agreed to do so.
